Sir:

In response to the Office Action of August 1, 2002,
please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel claims 1-7 without prejudice or
disclaimer, and insert the following new claims 8-14 as
follows:

8. (New) A container for a framed pellicle
comprising a container base including a first upper surface
area and a covering including an inner surface mounted on
said container base to form an inside space between said
first surface area of said base and said inner surface of
said covering, and a framed pellicle disposed within said
inside space and wherein said first surface area and said
inner surface are formed of an inorganic material selected
from the group consisting of metals, alloys, glass and
ceramics.
